

AQLIGHTING

AQ Lighting sets the Benchmark in the Lighting Industry for Sourcing.

AQ Lighting Collaborates

AQ Lighting works collaboratively with developers, architects, designers, specifiers, general contractors, electrical contractors serving as a consultant, advisor, and distributor.

- Collaborate with us during the SD stage
- Cost in by design development stage
- Delivery schedule to meet/exceed installation schedule
- Superior sourcing
- Unlimited access to all manufactures

Extensive Global Sourcing

From here to there to everywhere:

New York • Chicago • Philadelphia
Israel • Germany • Netherlands
Milan • Hong Kong

Why Is This Important:

- Meet budget demands
- Secures quality
- Lead times
- UL any product designed outside of the US

What Else?

- AQL secures your light fixtures in our warehouse.
- Provides the protection against damage and loss on the job-sites.

Certifications & Advantages

We answered an **SOS call** from **National Developer** (for budget overruns & delays). Through total **transparency** AQL was not only able to **save 260k** but also get the project **back on track**.

Current Projects

- | | | |
|------------------|-------------------|-----------------------|
